I'll modify the page 11 map then.

David,

Miranda wants a map similar to the one attached.

This one-page map will be mailed out by the City with the ballot. She likes the outline of the individual parcels and the clear street names.

After testing, this gray scale worked the best for me as far as printing black and white, copying and scanning. Please take a look and let me know what you think.

I'm working on the index now and will have that to you very shortly.
